Follow-up – Local Law 10 of 2026: 2-Hour Mental Health Awareness Course Added to Site Safety Training Renewal Options

Effective August 1, 2026, eligible renewal options for Site Safety Training (SST) Worker and Supervisor cards are updated to include the 2-Hour Mental Health Awareness course.

The 2-Hour Mental Health Awareness course may be used to renew a Site Safety Training (SST) card when completed together with either the 2-Hour Toolbox Talk course or the 2-Hour Pre-Task Meeting course. This procedural update to the SST card renewal process does not modify the requirements of Local Law 10 of 2026.

Not all SST card renewal options are affected by this update. The following charts identify the eligible SST Worker and SST Supervisor renewal options that now include the 2-Hour Mental Health Awareness course. All other SST renewal options remain unchanged.
